FRENZY

For the perfect fries !

Green Fields operates with a commitment to quality management, ensuring its factories and systems comply, BRCGS Global Food Safety Standard, Halal, and Kosher certifications. This adherence to quality has enabled Green Fields to earn recognition in international markets, its products across more than 50 countries worldwide. We also offer private labeling options, providing customized solutions to meet customer demands. With decades of experience, a skilled workforce, and a dedication to innovation, Green Fields continues to develop, produce, and deliver high-quality food products and solutions that consistently exceed customer expectations globally.

Green Fields, Working with a mission to advance and diversify the food industry regionally and globally. Specializes in producing a broad array of frozen food products. These include Pre-fried Frozen Potatoes, Coated and/or Seasoned Fries, Potato Specialties. The group, comprising multiple companies, engages in various facets of the food industry, spanning from design, manufacturing, trading, and supply of food service equipment to turnkey projects. We offer a comprehensive range of products such as cooking equipment, bakery equipment, cafeteria equipment, cold lines, sandwich panels, convection ovens, combi steamers, pizza ovens, fast food solutions, and computerized operated digital fryers. Moreover, we specialize in designing, manufacturing, supplying, and installing food processing lines and packaging machines with diverse capacities and product types, catering to both regional and global markets.
