PREMIUM RICE

We offer a range of rice varieties to make cooking more easily without compromising on taste, so now you don't have to wash the rice as it is already pre-washed for your great plates..

Premium Egyption Rice

We offer a range of pre-washed Egyptian rice SKUs that make cooking easier without compromising on taste. Our rice goes through 19 carefully controlled stages to ensure high nutritional value, cleanliness, and readiness for immediate cooking.

Thanks to sourcing the finest Egyptian rice and using advanced technology with long industry experience, 1 kg of AlDoha raw rice yields up to 2.5 kg of cooked rice—delivering high quality and excellent productivity.
